RE: Consent Information for Cross-Country

Cross-country is open to students in grades 1 through 6. Cross-country enthusiasts run Tuesdays and Thursdays just prior to the lunch eating period, except on rainy days. Please ensure that your child has proper footwear at the school for cross-country.

Your child has shown an interest in participating on our school Cross Country Team. This team provides an opportunity for: **1)** students to attend practice running sessions with others at the school and **2)** a chance for students who attend practice sessions to have the choice of running within various age and gender groups at district meets held at Juan De Fuca. Students can do Part 1 above without going to the meets; however, they must complete part 1 to participate in the district meets. For safety reasons, all students who wish to attend the meets at JDF must be accompanied by their parent/guardian or designated caregiver to and from the meet.

JDF Cross Country Meet Information:

There will **NOT** be a bus going from Wishart to the cross-country meet. Parents are responsible for arranging their child's transportation to and from the meet.

Please check in with a staff member prior to leaving JDF with your child.

The races start at JDF around 3:20. Parking can be an issue at JDF so it is wise to get there early. Parents/caregivers must be at JDF by 3:50 pm to pick up their children.
